

Chrome EFFECTS

Application Guide

TERMS & CONDITIONS

4/8/2011

Payment Terms

New Accounts:

All opening orders over \$300 for non-established C.O.D. accounts will require a certified check or money order upon delivery. Credit Card or Check by Phone (ACH) payment is the preferred method on opening orders. Larger opening orders may be subject to additional constraints. New accounts may need to complete a business information form before doing business.

Pricing

Prices and specifications are subject to change without notice. We are not responsible for errors, omissions or price changes in this price list. This price list is to be used as a guide.

Warranties

Chrome Effects offers a limited lifetime warranty. Since types of application and conditions vary so widely, we cannot warrant results for use of this merchandise beyond the cost or replacement of stock. Your original purchase receipt is required for all warranty claims.

Freight

Free Freight Program: Chrome Effects will pay ground commercial freight on any single order placed over \$500, that ships at one time. Accessorial charge may be billed on pre-paid orders.

For orders that do not qualify for free freight minimum shipping charges will be \$6.95. If you require the order to be sent C.O.D. an additional \$10 is added to cover the UPS C.O.D. charge.

Back Orders

Backorders are defined as items that are standard stock items, that are not available from any of our locations. Backorders are automatically filled unless otherwise specified. Backorders will have freight charged on them unless the original order shipped free freight, based on one of our freight programs.

Returns & Credits

We cannot accept returns on products that are over 90 days from purchase. All returned products must have a copy of your receipt, be in original, unopened packaging, and must have an RMA number on the box. Packages without RMA numbers will be refused. Returns within 30 days of purchase, that meet the above requirements, will not be subject to any restocking fee. Those returned within 90 days but greater than 30 days are subject to a 25% restocking charge. Freight charges are never reimbursed.

Errors, Damages & Defectives

Errors in shipments, pricing or claims for lost or damaged items must be reported within 5 business days of receipt; otherwise shipment will be considered as complete and correct. Defective merchandise may be repaired, replaced, or credited at our discretion. All product shipments relating to errors or defectives will be billed to the customer, and credit will be issued when the defective or incorrect is received back at our facility. Replacement items will be shipped via the same method used on the original order.
